THE 2023 YEARBOOK

Welcome to our 2023 Yearbook. We hope you enjoy looking through the categories for our Summer Show and will find something that will interest you. There is something for everyone, from the novice to the experienced. It's great fun on the day and you may be rewarded for your hard work.

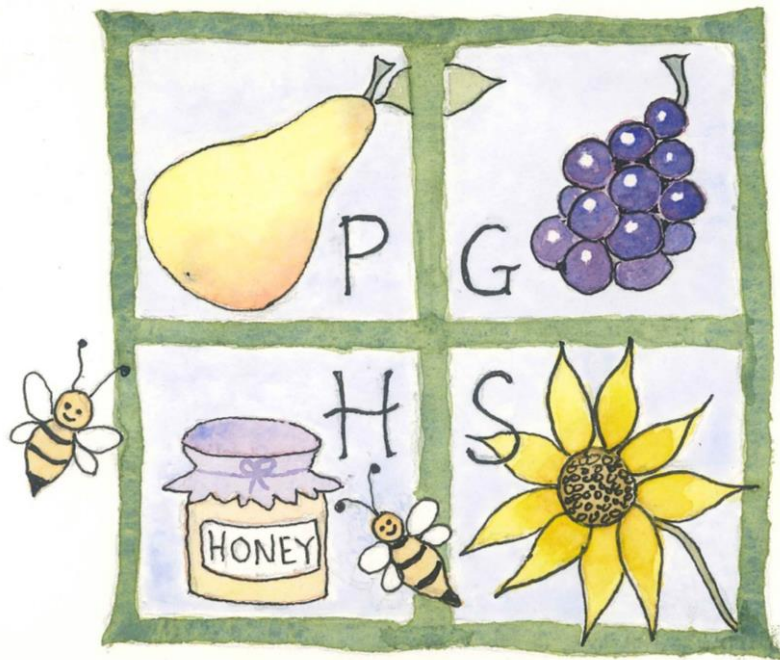

If showing is not for you come along to our friendly meetings. We have a variety of talks this year from vegetable and cut flower growing to rewilding a Victorian walled garden and.....one not to be missed 'Food of the Gods', the history of chocolate. We will also be visiting a local Alstromeria Nursery. Full details of all of our events are at the front of this book.

We are very grateful to Tates, owners of The Old Barn Nursery who again have generously given all of our members a discount card. We hope you will be able to put this to good use. We look forward to seeing you in 2023 and hope that you have a successful and productive growing year.

The Railway Children

When we climbed the slopes of the cutting
We were eye-level with the white cups
Of the telegraph poles and the sizzling wires.

Like lovely freehand they curved for miles
East and miles west beyond us, sagging
Under their burden of swallows.

We were small and thought we knew nothing
Worth knowing. We thought words travelled the wires
In the shiny pouches of raindrops,

Each one seeded full with the light
Of the sky, the gleam of the lines, and ourselves
So infinitesimally scaled
We could stream through the eye of a needle.
